Inspections & Requirements

Call 417-683-8052 to schedule an inspection We will try our best to accommodate your request, please be aware it may take one full day to schedule an inspection. All fireworks stands must receive an approved inspection before opening.

Solid Waste & Nuisance Requirements at Site

- 1. Developers, builders, and lot owners must comply with City ordinance Chapter 42, article II as it pertains to solid waste and City Nuisance as it pertains to trash, weeds, building materials, and dirt on the streets. One warning will be given; after that time a stop work order will be issued.
- 2. Construction & Demolition (C&D) projects are regulated by the Department of Natural Resources under the Missouri Revised Statutes, Chapter 260 and Chapter 643. Regulated structures must be inspected for asbestos by a licensed inspector, and all C&D waste must be properly disposed of at a permitted landfill. Copies of landfill weigh tickets must be submitted to the City of Ava.
- 3. The law also requires persons engaged in building construction, modification, or demolition to maintain records of sites used for demolition disposal. These records are to be maintained by the contractors for a period of one year.
- 4. It is the responsibility of the applicant for damages to City right-of-way and easements regardless of which subcontractor caused the damage.

By signing this I acknowledge that the current regulations for building in the City of Ava, Missouri are the 2006 International Building Codes, the NFPA NEC 2005, and adopted ordinances of the City of Ava, Missouri. I also acknowledge that I have read and understand the above section on Solid Waste and Nuisance Requirements at Site. I hereby certify that the answers and other information on this application are true and correct and I have read and understand the above procedures and requirements as they pertain to city building regulations; and by signing this form, acknowledge compliance with these rules.
